ORCHESTER  
FÜR ALTE MUSIK  
BERN

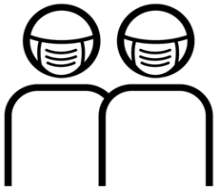

## Information for concertgoers

In order to ensure that you, as well as our musicians and staff, have a pleasant and safe concert, we would like to draw your attention to the following points:

Einlass mit Covid-Zertifikat  
(getestet, geimpft oder genesen).

The **2G principle** applies to all concerts. Only persons who have been vaccinated or have recovered will be admitted to the concerts. The corresponding **COVID certificate** must be presented together with an **official photo ID**. This applies to all concertgoers aged 16 and over.

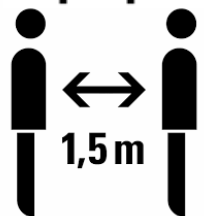

In addition to the COVID certificate, wearing a **mask is compulsory**.

Please **purchase your ticket in advance online** at [www.kulturticket.ch](http://www.kulturticket.ch).

Doors open 30 min. before the concert starts, **please arrive on time**.

Please respect the **distance rule** (1.5m) at all times.  
Please adhere to the **hygiene measures**.

Despite all safety measures, we cannot completely exclude the risk of infection and quarantine. You therefore attend the concert at your own risk.

Thank you for your cooperation!
